SUBJECT: The 2016 DoD High Performance Computing Modernization Program Hero Awards Call for Nominations

1. The DoD High Performance Computing Modernization Program (HPCMP) requests nominations from the HPCMP community for the HPCMP 2016 Hero Awards. Each year, the Hero Awards recognize outstanding individuals who support the DoD through the use of HPC. New in 2016 is the HPCMP Team Achievement award. The Hero Award recipients will be recognized by HPCMP leadership presenting the awards at the recipient's location.
2. Eligibility: Personnel within the HPCMP community. If you have any questions regarding nomination eligibility, please contact heroes@hpc.mil.
3. The deadline for receipt of nominations is 20 June 2016.
4. The Hero Awards are given in the following categories:
 - a. Innovative Practices – Awarded to an individual whose support demonstrates creative business practices to improve the overall HPCMP business model.
 - b. Technical Excellence – Awarded to an individual whose support demonstrates scientific or engineering excellence using HPCMP resources to advance creative and effective technology.
